REQUEST FOR WITHDRAWAL OF NOTICE OF ABANDONMENT

Sir:

In the above-identified patent application, a Notice of Abandonment dated December 22, 2004 has been received, a copy of which is attached. It is stated in the Notice of Abandonment that because the Board of Patent Appeals and Interferences rendered a decision on September 27, 2004 and the period for seeking court review of the decision has expired and there are no allowed claims, the application is abandoned.

In this application, a Request for Rehearing was filed on November 29, 2004. A copy of the Request for Rehearing as originally filed is attached. In a telephone conversation with Supervisor Eddie C. Lee on January 20, 2005, it was determined that the file for the above application contains no record of Applicant's Request for Rehearing.

As evidence that the Request for Rehearing was mailed and received by the Patent Office, attached hereto is a copy of the postcard receipt that accompanied the correspondence. Note that the postcard receipt both bears the Patent Office stamp and further indicates that the Patent Office received the Request for Rehearing.

Under 37 C.F.R. §1.197(b), Applicant had two months from the date of the Board's original decision to file the Request for Rehearing. It is noted that the two-month period for reply was November 27, 2004, which was a Saturday. Accordingly, under 37 C.F.R. §1.7(a),

Applicant had until the following Monday, November 29, 2004, to timely file the Request for Rehearing.

As evidence that the Request was timely filed, attached hereto is a copy of the Certificate of Mailing (see last page of Request for Rehearing) identifying a mailing date of November 29, 2004. Although the undersigned Counsel cannot personally attest to the previous timely mailing, it is attested that the correspondence was timely mailed given that the stamped postcard receipt also specifies a mailing date of November 29, 2004.

In view of the above, and the evidence submitted herewith, it is respectfully requested that the Notice of Abandonment be withdrawn and this case be returned to the active files for consideration of the Request for Rehearing.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Mail Stop Petitions, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on January 21, 2005:
